## Elegant and spacious

The elegant Crescent Allure 21 is the successor to the Allure 19 and Allure 20. This sloop is generously spacious; you can celebrate your birthday with family, or invite new friends to enjoy the real life on the water.

Easy to manoeuvre, the Crescent Allure 21 is also equipped with a beautiful wooden steering wheel. The stainless steel rails and teak mast with navigation lights also contribute to the sloop's impressive and elegant appearance. The Crescent Allure 21 is designed for both stern and bow anchoring and its size is palatial, therefore suitable for larger groups on board.
